

## The path – to greater efficiency.

FLYLINE is located in the Airport City, approximately 3.5 kilometers from Bremen city center. We can be easily reached by public transport or by car.

### By public transport.

Trams run every ten minutes from the train station directly to FLYLINE. Take tram line 6 towards the airport, FLYLINE stop: Neuenlander Kaempe. The journey from the main station takes around 17 minutes.

### By car.

If travelling on the A1 motorway from the direction of Hanover, Hamburg or Osnabrueck, take the Arsten exit and follow the signs to the airport.

Coming from the direction of Bremerhaven, leave the A27 at the Freihaefen exit and then take route B6, following the signs to the airport.

Coming from the direction of Oldenburg, use route B75 and follow the signs to the airport.

When you arrive at "Flughafendamm", stay in the left lane. After the traffic lights or after the departure terminal exit, turn right into Hermann-Koehl-Strasse.
